PROSPECTUS

[\(click here\)](#)

Dear candidate

Thank you for taking the time to consider our school for your next career move. Within this pack you will hopefully find many reasons for you to submit your application to work at Bishop Fox's School.

As the Headteacher, I hold a strong belief that the power of education can change children's lives and it is the right of every child to receive an excellent education. All staff in the school are dedicated to building opportunities for students to achieve the highest academic standards, ensuring that they are known as individuals and that their unique personality, talents and interests are nurtured and developed to the full. A Bishop Fox's education is about developing the whole child and providing opportunities for them to flourish within and beyond the classroom.

The school was built 30 years ago, housed in a beautiful location in the South of Taunton. The school's history stretches over 500 years as Bishop Fox's was originally founded in 1522. Student numbers are at an all-time high of over 1100 and we are planning to expand to 1200 over the next 3 years. There are four secondary schools in Taunton, and in this competitive environment, we are extremely pleased to be oversubscribed in all year groups.

We have high standards and high expectations in everything that we do. Students achieve well, working in an encouraging learning environment with quality teaching and support from our child-centred staff. We are committed to safeguarding and doing the very best for every one of our students on roll.

We are looking for someone who, either, is already or has the potential to become an outstanding teacher. In particular, you will see from the Person Specification that we are seeking a colleague who shares our ethos about education and will enhance our learning community. We are looking for a strong practitioner in the classroom and someone who has the ambition to get involved with the extra-curricular life of the school.

So, if you want and enjoy a challenge, are able to make a difference and care passionately about young people, then we will welcome your application.

Please submit your application form together with a letter (no more than two sides of A4) detailing your skills, qualities and relevant experience for this post. Applications should be returned to the school HR office or emailed to hr@bishopfoxs.co.uk. If you haven't received an acknowledgement within 48 hours, we recommend calling 01823 255011 to check your application has been received.

We look forward to hearing from you soon.

Yours sincerely

K. Tonkin —

KERRY TONKIN

COMPUTER SCIENCE & IT

The Computer Science & IT department is located on the middle floor of our new Kingston Block. There are four dedicated computing suites with further suites located in the main building. Each suite is equipped with 32 student computers with access to Windows 11 and Microsoft Office applications, among other more specialist applications such as Python for use in programming classes. Each classroom is equipped with interactive touchscreen smartboards and visualisers to enhance the learning experience and two core computing suites have dedicated printing facilities.

Students have access to a host of physical learning resources including, textbooks, revision guides, exam practice question books, 10 minutes tests, revision card packs. This is enhanced with online facilities including Seneca, Hodder Boost Learning, and many others.

Department staffing consists of an experienced CTL and one other full-time teacher, often assisted by LSA staff, and a team of IT support staff. All work closely together ensuring that students have the best possible experience leading to outstanding success in examinations. All staff are expected to continue developing practices and skills through engagement in internal and external professional development.

At KS3 all students study IT for 1 hour per week, and follow a programme of 12 topics where they explore different aspects of computing and IT each half term. This programme aims to develop existing skills developed in KS2 to support their use of ICT in their subjects and to prepare them for success should they choose Computer Science or IT as options for KS4. Topics include: Computational Thinking, Algorithms, Office applications, Online Safety, Computer Systems & Hardware, Python Programming and HTML.

At KS4 students follow two paths, OCR GCSE Computer Science, or OCR Cambridge National ICT. GCSE leads to two 90 minutes exams in Year 11, Cambridge National comprises one exam and two coursework assessments.

The department a popular choice for students as an options at KS4, we currently have over 50 students at each year in KS4 studying GCSE Computer Science, and 10-15 students studying Cambridge Nationals. Students can expected to achieve very good results come the end of their studies, as students consistently achieve higher grades than target setting them above their average counterpart from across other schools.

Overall we are a small but hardworking department which enjoys success both in our impressive results and in the positive learning experience which we strive to ensure each and every student receives.

JOB DESCRIPTION

JOB TITLE: Class Teacher & Form Tutor

REPORTS TO: Curriculum Team Leader & Head of Year

MAIN PURPOSE OF JOB

CLASS TEACHER

Is responsible for making the education of students a priority and being accountable for achieving the highest possible standards in work and conduct to meet the Teacher Professional Standards. Has strong subject knowledge and keeps knowledge and skills up-to-date. Has the ability to create positive professional relationships and works with parents in the best interests of the students. Acts with honesty and integrity.

FORM TUTOR

The main responsibility of a form tutor is to provide outstanding pastoral care and support which enables our students' to achieve their full potential. Form tutors act as the primary point of contact for students, guiding their personal, social and academic development.

MAIN RESPONSIBILITIES AND DUTIES

CLASS TEACHER

- Sets high expectations which inspire, motivate and challenge students by implementing and delivering an appropriately differentiated and engaging curriculum.
- Contributes to the Team Improvement Plan and supports the implementation of whole school policies.
- Contributes to and delivers departmental Schemes of Work.
- Manages the classroom environment to ensure effective learning takes place.
- Monitors student progress, ensuring appropriate assessment, recording and reporting of student achievement is carried out and relevant information is provided to the Curriculum Team Leader / Head of Year.
- Uses tracking data to identify and challenge student underachievement and inform teaching and learning.
- Ensures the effective deployment of Learning Support Assistants.
- Contributes to and implements IEP's as appropriate.
- Produces reports and other requests for information within the required deadlines which are appropriate and are of high quality.
- Communicates with parents as appropriate.
- Actively supports and promotes high standards of teamwork within the subject area, ensuring work is set in the event of known absences and unplanned absence where appropriate.
- Identifies own CPD to meet personal needs and wider school priorities.

FORM TUTOR

Student Welfare and Pastoral Support

- Act as the primary point of contact for students in their tutor group.
- Build positive relationships to foster trust and support.
- Monitor students' well-being and provide guidance or intervention when needed.
- Address concerns related to mental health, behaviour or personal issues.

Attendance and Punctuality

- Ensure accurate attendance registers are maintained daily.
- Promote the importance of good attendance and punctuality for academic success.

Uniform and Behaviour Standards

- Ensure students adhere to the school's uniform policy and uphold behaviour expectations.
- Address issues promptly to maintain high standards in line with the school ethos.

Academic Mentoring and Monitoring

- Oversee students' academic progress, including homework and report monitoring.
- Set targets and encourage positive attitudes toward learning.
- Provide guidance on how to improve performance and engage with learning.

PSHE Education and Assemblies

- Deliver sessions on personal, social, health, and economic (PSHE) education and Relationships and Sex Education (RSE) as part of the school's curriculum.
- Encourage discussions that promote social awareness, personal development and life skills.
- Effectively deliver our rich tutor programme including SMSC and British Values.
- Escort the tutor group to assemblies and supervise during these events.

Communication and Liaison

- Serve as a link between the school, parents / guardians and subject teachers.
- Communicate effectively with parents / guardians about students' progress, achievements or concerns.
- Participate in meetings and contribute to the pastoral team led by the Head of Year.

School Ethos and Extracurricular Involvement

- Promote the school's values and encourage students to take part in extracurricular activities.
- Act as a positive role model and inspire students to engage positively within our school community.

DUTIES AND RESPONSIBILITIES FOR UPPER PAY RANGE

- Makes a substantial and significant contribution to the wider life and ethos of the school. This will be something tangible, contributing to the achievement of the schools' strategic priorities, as captured within the School Improvement Plan.
- Role models highly competent teaching and professional effectiveness consistent with Teacher Standards and supports the professional development of colleagues.
- Takes a leading role in the preparation and development of teaching materials, teaching programmes and pastoral arrangements as appropriate.
- Proactively participates in any relevant meetings/professional development opportunities at the school, which relate to the learners, curriculum or organisation of the school including pastoral arrangements and assemblies.

CONTACTS AND RELATIONSHIPS

The Postholder is responsible to the Headteacher in all matters. To the relevant Head of Year in respect of student welfare and pastoral matters, and the Curriculum Team Leader in respect of the subject timetable and of curriculum development.

Assists with the supervision of the teaching and support staff allocated to work in the subject.

Interacts on a professional level with colleagues. Seeks to establish and maintain productive relationships with them in order to promote mutual understanding of the subjects in the school curriculum with the aim of improving the quality of teaching, learning and standards of achievement in the school.

Fosters positive relationships with parents, outside agencies and the wider community to promote the school in a positive light and secure the best outcomes for the students at the school.
