Dear Prospective Candidate

### **Expression of Interest for KS1 Class Teacher. Maternity Cover**

Thank you for showing interest in joining our team at Lyngford Park Primary & Nursery.

Please call us to make an appointment to have a tour and discussion about the role. We are looking for an excellent Key Stage 1 teacher who will be able to provide high quality provision for our children, in the early stages of their teaching career. We are a diverse community and fully inclusive school. No two days are the same, yet we always strive for high standards in all we do! Although it is initially a Maternity Cover, depending on opportunities, we may be able to help you beyond the initial contract.

We have amazing grounds and a wonderful staff team. Our children are a joy to work with and they bring energy and challenge to enable you to further develop your skills. They deserve to be given a provision to allow them to flourish and be prepared for their future. In return, we will ensure you continue your own professional development and evolve as an effective practitioner. In recent years, we have successfully appointed ECTs who are now flourishing and are excellent practitioners and we hope to recruit more professionals as they start their career in teaching.

The successful candidate will be creative, hard-working, resilient and possess boundless enthusiasm and energy to capture children's interest and attention. We have a broad range of needs, and some children require a more tailored provision, but everyone deserves to achieve and succeed. We are a diverse school with families representing countries around the world.

All children want to achieve! The key is simply to find the most appropriate methods for them to help them develop and improve their skills. We will also require someone who possesses high standards and able to inspire pupils to achieve beyond their targets.

Still interested? Please call us to arrange a visit so we can show you what we have to offer. You will be unlikely to be shortlisted if you don't come for a tour and meet us before you apply.

I look forward to hearing from you soon.

Kind regards

Nick Arnold
