Dear candidate

Thank you for taking the time to consider our school for your next career move. Within this pack you will hopefully find many reasons for you to submit your application to work at Bishop Fox's School.

As the Headteacher, I hold a strong belief that the power of education can change children's lives and it is the right of every child to receive an excellent education. All staff in the school are dedicated to building opportunities for students to achieve the highest academic standards, ensuring that they are known as individuals and that their unique personality, talents and interests are nurtured and developed to the full. A Bishop Fox's education is about developing the whole child and providing opportunities for them to flourish within and beyond the classroom.

The school was built 30 years ago, housed in a beautiful location in the South of Taunton. The school's history stretches over 500 years as Bishop Fox's was originally founded in 1522. Student numbers are at an all-time high of over 1100 and we are planning to expand to 1200 over the next 3 years. There are four secondary schools in Taunton, and in this competitive environment, we are extremely pleased to be oversubscribed in all year groups.

We have high standards and high expectations in everything that we do. Students achieve well, working in an encouraging learning environment with quality teaching and support from our child-centred staff. We are committed to safeguarding and doing the very best for every one of our students on roll.

We are looking for someone who, either, is already or has the potential to become an outstanding teacher. In particular, you will see from the Person Specification that we are seeking a colleague who shares our ethos about education and will enhance our learning community. We are looking for a strong practitioner in the classroom and someone who has the ambition to get involved with the extra-curricular life of the school.

So, if you want and enjoy a challenge, are able to make a difference and care passionately about young people, then we will welcome your application.

Please submit your application form together with a letter (no more than two sides of A4) detailing your skills, qualities and relevant experience for this post. Applications should be returned to the school HR office or emailed to hr@bishopfoxs.co.uk. If you haven't received an acknowledgement within 48 hours, we recommend calling 01823 255011 to check your application has been received.

We look forward to hearing from you soon.

Yours sincerely

K. Tonkin

FOOD & TEXTILES

The Food and Textiles Department is located in the DT area on the ground floor of the school, which also houses the Art and Product Design Departments. There are two specialist Art rooms, two multi-material workshops for DT Product Design work, one multi-material workshop for Product Design and Textiles combined and two specialist kitchens for Food Nutrition and Preparation.

The majority of the classrooms, in this space have direct access to a central ICT suite with 60 computers divided into four zones for use by two or more classes at one time. All classrooms are fitted with electronic whiteboards.

The faculty benefits from impressive display areas, housed beneath an atrium in the central dedicated ICT suite. At KS3 students follow a programme of activities where they explore different aspects of Food and Textiles principally through a project-based curriculum. Formal assessment takes place during and at the end of each project against known aspirational target grades. The schemes of work aim to extend skills developed in KS2 throughout a 2-year KS3 programme of study and to prepare them for success should they choose any of the subject options for KS4.

A GCSE is currently offered Food and Nutrition AQA and there is one technician to support with the practical application of the KS3 and KS4 curriculum. This is a popular option at GCSE.
