- **Teamwork**—be able to work positively and effectively with others, combining your efforts when working towards a shared goal
- **Be Resilient**— have self awareness, work with purpose and be willing to adapt to change
- **Have Integrity**—be honest in all that you do, have respect for others and take responsibility for your actions

Students are encouraged to make the most of a wide range of extracurricular opportunities, including The Duke of Edinburgh Award Scheme. We run fixtures in all major sports and have a wide range of clubs and leisure sports activities. Students benefit from working with specialist coaches and enjoy good access to community clubs on and beyond the school site. For elite performers, there are a variety of further opportunities including sports psychology, training and nutrition.

Performing Arts are a real strength of Westfield. Students take advantage of a wide range of specialist Music tuition together with our choir, orchestra, string group and contemporary music groups. Students have the opportunity to perform in three concerts each year. Drama and Dance opportunities include an annual school play and two shows a year, all hosted in our theatre.

Westfield Academy is committed to using new technologies to support both teaching and learning. From 2019 all students at both Key Stage 3 and Key Stage 4, have their own Google Chromebook. These chromebooks are used to support learning across the curriculum. All teaching staff have their own chromebook.

Learning beyond the school site includes theatre visits, Geography field trips, ski trips and visits to Spain and France.

Regular rewards assemblies and annual awards evenings are where we recognise and celebrate the very wide range of student achievements. Students are also encouraged to take on roles of responsibility such as Prefects, House Captains and Form Captains, and to help further improve their own school through our School Council. All students are members of a tutor group and one of four houses, (Aqua, Ignis, Terra, Ventus). Houses form the basis of inter-house sporting activities and fundraising events. Students are encouraged to understand, respect and celebrate diversity, not least through our annual ‘Diversity Week’ programme.
