BLACKDOWN
EDUCATION
PARTNERSHIP

BELIEF IN EVERY CHILD

Dear colleague

We are delighted that you are interested in The Blackdown Education Partnership and the role of Class Teacher at Isambard Kingdom Brunel Primary School (IKB).

This is a fantastic opportunity to be part of a school that is not only growing but thriving and constantly developing. A school where all teachers benefit from having their voice heard and from working collaboratively within IKB and the other primary schools within the Trust. A school where children and staff enjoy coming together and being part of life-long memorable experiences.

Within the setting, children are inspired by a unique curriculum which is built upon strong foundations from the Early Years and prepares them for lifelong learning. Our ethos and attributes very much drive what we do as we believe that by growing these skills, alongside the knowledge from the curriculum, children will have the necessary attitudes to have a positive impact on the world. We believe attitude is as important as experience so are looking for staff who have the same ethos and attributes as us and are motivated to inspire children to belong, participate and achieve.

If you are keen to try a new challenge or you are ambitious to progress in your career, this is an excellent opportunity. We can also offer new premises and resources, engaged and motivated support staff and happy and vibrant children who are keen to learn.

I very much hope this has ignited your enthusiasm for this exciting opportunity and I look forward to receiving your application.

Best wishes

Andrew Wootton

IKB Headteacher

We are looking for a class teacher for a fixed period of the summer term 2026 in Key Stage 2.

The role will be based at IKB Primary School which opened in September 2020 to Reception pupils and has grown organically by a year group with every following year. The school has been built to meet the demands of the local community and the growing number of houses in the area.

Our curriculum incorporates carefully selected knowledge and skills that are brought to life in a way that is meaningful and exciting for children, promoting a life-long love of learning. It also provides the cultural capital that they need to be successful in learning as well as in their future lives.

The curriculum is organised in a way which enables children to revisit knowledge and build depth of knowledge and understanding as well as ensure they learn more and remember more. Through the way our curriculum is organised we help children to make meaning of the world, develop their vocabulary and broaden their horizons. Each subject and learning experience is content rich, with knowledge carefully selected and deliberately ambitious. Our curriculum is coherent and well planned, building on what has come before and will encourage learners to be curious about their learning. Our approach to supporting children who may need help to access the curriculum is through pre and post teaching, targeted interventions and adaptive teaching strategies. This makes sure those children have the knowledge and skills to succeed in accessing learning rather than having to be continuously catching up.

See the Job Description for a full breakdown of the role and responsibilities.

The closing date for this post is Midday on Wednesday 25th March 2026.

Interviews will be held on Wednesday 1st April 2026.

To make an application please use the online application platform [Careers at Isambard Kingdom Brunel Primary School - Eteach](#) also available through our school website www.ikbschool.co.uk
